

Keeping Up With Kindergarten

September 25-26

A Peek at the Week

Tuesday-
Johnny
Appleseed's
Birthday
Celebration
Please bring in
2 apples.

Snack Helper

Bella

Math

We will continue Unit 1 this week. This week, we will look at shapes using math words to describe how many corners and sides and curves or flat. Also, we will name and construct the 2D shapes; triangle,

Our color this week is

In honor of Johnny Appleseed's birthday, we will do many fun activities with apples this week. We will graph them, read about them, and of course

Reading

Our fiction story, *Plaidypus Lost*, by Janet Stevens, is a fun sequencing adventure. The comprehension skill is **sequencing a story**. Our popcorn words are; **the, little**. We will be adding the jolly sounds; **ai, j, oa, ie**. Thank you for practicing the popcorn word ring and Jolly Phonics' sound book every night. I checked the kindergarteners today on their sounds. Please see the note in their sound book.

Just a reminder... please READ, READ, READ at home every night☺.

Our Wildcat Book Club goal is to have each child read (or be
