Parenting Tip.....

Encourage your children to ask for what they want assertively, pointing out that there is no guarantee that they will get it. Reinforce them for asking and avoid anticipating their desires.

Please have your children dress for the weather. If the wind chill is above 20 degrees & is not raining, we will be going outside for recesses. If there is snow on the ground, they will be able to play in it if they have snow clothing, such as snow boots (not dress boots), gloves and snow pants.
